Petition To Revive Abandoned Application - Failure To File Timely Statement Of Use Or Extension Request

TEAS - Version 5.4 : 07/11/2015

The United States Patent and Trademark Office (USPTO) "abandons" a trademark application whenever the USPTO does not receive a timely-filed Statement of Use (SOU) or Request for an Extension of Time to File a Statement of Use (Extension Request) in response to a Notice of Allowance. "Abandoned" means that the application is no longer pending, and, therefore, cannot mature into a registration. You may petition to revive an abandoned application and request that the USPTO return the application to active ("pending") status only if the delay in filing an SOU or Extension Request was unintentional.

You must file the petition to revive no later than two (2) months from the mailing date of the notice of abandonment. Otherwise, the petition will be untimely, and the application will remain abandoned. You may file a new application through the USPTO's [Trademark Electronic Application System \(TEAS\)](#). If you never received the notice of abandonment, the petition must be filed within two (2) months of actual knowledge of the abandonment, and you must have been diligent in checking the status of the application every six (6) months.

If you never received the notice of abandonment and you can establish that you were diligent in checking the status of the application every six (6) months, contact the Office of the Commissioner for Trademarks for further information on filing the petition by mail. For information on establishing diligence, see [Exam Guide 1-03,Section IV](#).

Advisory note: You must maintain an accurate correspondence address with the USPTO. All changes must be made in writing, or through the electronic [Change of Correspondence Address Form](#).

NOTE: You must complete any field preceded by the symbol "*".

WARNING: This form has a session time limit of 60 minutes. Your "session" began as soon as you accessed this initial Form Wizard page. If you exceed the 60-minute time limit, the form will not validate and you must begin the entire process again; you can, however, [extend the time limit](#). You should always try to have all information required to complete the form prior to starting any session.

Instructions

To file this form, please complete the following steps:

- 1. Fill out all fields for which information is known. Fields with a * symbol are mandatory for filing purposes and must be completed.
- 2. Validate the form, using the "Continue" button at the end of the form. If there are errors, go back to step 1.
- 3. Use the Pay/Submit button at the bottom of the Validation Screen. This will allow you to choose from 3 different [payment methods](#): credit card, automated deposit account, or electronic funds transfer. After accessing the proper screen for payment, and making the appropriate entries, you will receive a confirmation screen if your transmission is successful. Or, use the "Download Portable Data" Button to save your work for submission at a later time.
- 4. You will receive an e-mail acknowledging receipt of your submission.

NOTE:

- 1. Although filing a Statement of Use (SOU) is not required at the time of filing of this petition, it is recommended that you do so if the applicant has, in fact, already begun use of the mark in commerce. To access the electronic SOU form, click [here](#). However, please note that you cannot file an electronic petition, and then immediately thereafter file an electronic SOU. You must wait until the petition has been acted upon; otherwise, the file will not be in the proper "status" for filing the SOU, and an "edit" will block your attempt. Therefore, you may wish to file your SOU on paper, or otherwise contact the Intent to Use division to request prompt processing of any filed Extension request.
- 2. You must pay the fees for all extension requests that came due after the NOA issued. Extension Requests are due every six (6) months from the mailing date of the Notice of Allowance until the SOU is filed.
- 3. You must continue to file Extension Requests every six (6) months (calculated from the mailing date of the NOA), until you file an SOU.
- 4. Second and subsequent Extension Requests must include a statement of the applicant's ongoing efforts to make use of the mark in commerce on or in connection with each of the goods/services/collective membership organization that the extension request covers; or, a statement that the applicant believes that it has made valid use of the mark in commerce, and is in the process of preparing (or is concurrently filing) an SOU, but that if the USPTO finds the SOU to be fatally defective, the applicant will need additional time to file a new SOU.

Owner Information	
<p>Check this box to modify the owner name that appears below if the name does not identify the current owner of the application. If this change relates to a change in the correspondence address or e-mail, please use the "Correspondence Information" section of this form.</p>	
<div>*Name</div>	<p>WARNING: If the name appearing immediately above is not the name of the current owner of the application, you must change the owner information prior to transmission of this form. Please explain any change you make in the "Miscellaneous Statement" field to avoid the possibility of an Office action being issued.</p> <p>1. Transfer of Mark If there has been a transfer of ownership after filing the application, you should record this transfer with the Assignment Recordation Branch. This can be filed through the USPTO website at http://etas.uspto.gov. In the alternative, you may submit evidence of the change in ownership without recording it, by either submitting a copy of the document transferring ownership, or an explanation of the transfer, supported by an affidavit or declaration under 37 C.F.R. §2.20. However, the USPTO records will not be updated and the registration will not issue in the correct owner name unless you record the transfer with the Assignment Recordation Branch.</p> <p>2. Mistake in owner name If there is a minor clerical error in the owner's name or a non-existent legal entity was improperly identified as the owner, this mistake may be corrected on the form with an explanation. However, you must separately explain in the "Miscellaneous Statement" portion of this form the reason for the correction. Failure to submit an explanation will result in an Office action being issued. NOTE: You may not add a different owner or designate another legal entity as the applicant. For examples of other correctable errors, see TMEP § 1201.02(c). To enter the change in the owner name: (1) check the box above (top) that appears to the left of the words "Check this box to modify the owner name that appears below if the name does not identify the current owner of the application."; (2) delete the name that appears immediately above; (3) type in the name of the current owner of the application; and (4) explain why you are changing the owner in the "Miscellaneous Statement" field.</p>

You may need to abbreviate some words, e.g., St. instead of Street. Failure to do so may result in an undeliverable address, due to truncation at the 40 character limit.</p>
